

# Eagles to Glory

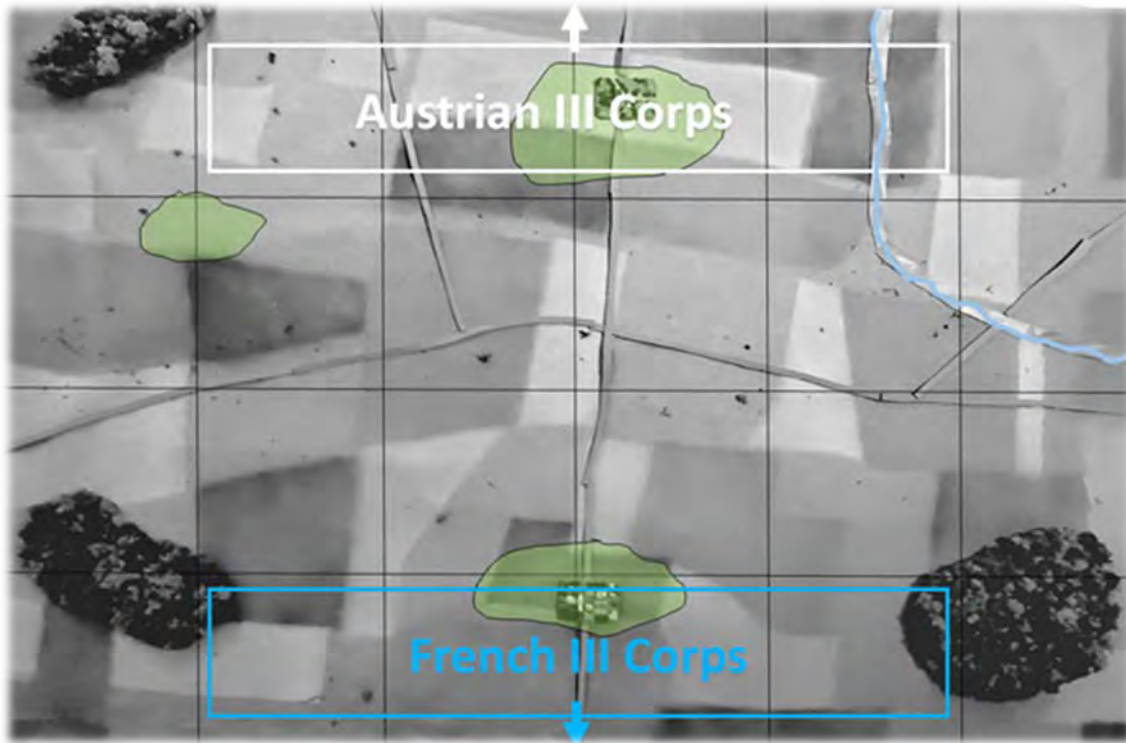

**Eagles on the Danube—April 20, 1809**

Scenario by Chris Wilkowski

# ***Eagles on the Danube***

Eagles on the Danube is an introductory scenario for Eagles to Glory rules and is an imagined engagement that was fought on 20 April 1809 between the French III Corps led by Marshal Davout and the Austrian III Corps commanded by Prince Hohenzollern.

The Battle starts at 10:00 AM

Possession of each village is worth 100 points

The game ends at 5:00pm (24 turns) due to thunderstorm on the battlefield

## Terrain Features

- Two Villages – BUA size = Farm/Village (one in each deployment area)

- Three Hills

- Forests (dark areas on three corners)

- Stream is fordable, cavalry cannot charge across stream

- Arrow indicates line of supply and exit point for involuntary retreat (rout or disorder)

## Austrian Deployment

- Austrian III Corp will deploy first, anywhere within the white box on the top of the map.

## French Deployment

- French III Corp will deploy second, anywhere within the blue box at the bottom of the map.

Following the French deployment, the Austrians may redeploy (move) any one division.
